

**Yellow warning
Thunderstorm**

Between
02:00 Sat 28 Jul 2018 and
14:00 Sat 28 Jul 2018

**Thunderstorms are expected.****What to expect**

- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Probably some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Thunderstorms will become more widespread across North East Scotland during the early hours of Saturday morning, perhaps merging into longer periods of heavy and thundery rain. Where the thunderstorms occur, torrential downpours are possible with 20 mm of rainfall in 1 hour and perhaps 30-40 mm in 2 or 3 hours. Large hail, frequent lightning and strong and gusty winds will be additional hazards.

The thunderstorms will become less frequent and the risk of disruption will decrease on Saturday afternoon.

✓ Medium likelihood of low impacts
